

Use of MINSEN Certification Mark (Product Certification)

1. MINSEN grants to certified Organisations nonexclusive use of the MINSEN certification mark shown in Appendix A attached with the scope of certification set forth in the Certificate provided that the certified Organisation maintains a system in accordance with its certified product, the applicable product standard, and MINSEN certification requirements.
2. The MINSEN certification mark in colour black and gray may be used in case of black and white printing. The MINSEN certification mark shall be in a size which makes all features of the mark clearly distinguishable, the outside diameter of the Mark being no less than 12.7mm or 0.5 inch.
3. If the scope of certified product is covered by the MINSEN accreditation area granted by HKAS, the Organisation may use the HKCAS accreditation symbol in conjunction with the MINSEN certification mark. The HKCAS accreditation symbol, when used, shall be of the similar size of and adjacent to the MINSEN certification mark in a manner as shown in Appendix A.
4. The certified Organisation shall not use the HKCAS accreditation symbol to imply that HKAS has in any way endorsed, sanctioned or approved the certified product.
5. The table below shall be followed for indicating the use of MINSEN certification mark and HKCAS accreditation symbol when a product has been certified under MINSEN accreditation area.
